

Using PVAAS e-Learning to Connect to Your Purpose

The power of PVAAS comes from using key PVAAS reports to inform the work you do every day as an educator. This resource is intended to help you choose the most relevant e-Learning for your purpose and work – i.e., tied to the work you are doing or the decisions you want to make.

The tables below highlight each role and pairs the broad purposes that have been identified for that role with various PVAAS reports and e-Learning to assist with that work.

District Leaders
